## Community Field Trips 2017 – 2018 School Year

**In the course of the school year Evergreen students may participate in field trips in our Community as part of educational activity programs.**

### **Elements of Risk**

Educational Activity Programs such as field trips involve certain elements of risk. Accidents may occur while participating in these activities and these accidents may cause injury. Examples of the type of accident that may occur are: scrapes, cuts and sprains.

These types of accidents result from the nature of the activity and can occur without any fault on either the part of the student or the School Board or its employees or agents, or the facility where the activity is taking place. By choosing to participate in the activity, you are assuming the risk of an accident occurring.

All reasonable safety precautions will be taken and the risk of injury can be further reduced by the student carefully following instructions at all times.

**Keewatin-Patricia District School Board does not provide any accident insurance coverage for student injuries that occur on school premises or during school activities. You may purchase coverage for your child at [www.insuremykids.com](http://www.insuremykids.com) or by calling toll free at 1-800-463-KIDS (5437).**

Please indicate on the form that is being returned to the school or contact us personally if there is some aspect of your child that we should be aware of and any precautions that should be taken.
